MINUTES BERRYVILLE TOWN COUNCIL

Tuesday, May 12, 2015

Berryville-Clarke County Government Center Regular Meeting 7:30 p.m.

Town Council:

Present: Wilson Kirby, Mayor; Harry Lee Arnold, Jr., Recorder; Allen Kitselman; Mary Daniel; David Tollett; Douglas Shaffer

<u>Staff:</u> Keith Dalton, Town Manager; Christy Dunkle, Assistant Town Manager/Planner; Desiree Moreland, Assistant Town Manager/Treasurer; Neal White, Chief of Police; Ann Phillips, Town Clerk

Press: Val Van Meter, Winchester Star

1. Call to Order

Mayor Kirby called the meeting to order at 7:31 p.m.

- 2. Pledge of Allegiance
- 3. Report of the Mayor

Mayor Kirby recognized Officer Greg Frenzel of the Berryville Police Department, and presented the resolution passed by the Council at the April meeting thanking him for his service during the investigation of the murder of Council member Gail Smith. The Mayor also presented letters of commendation to Clarke County Sheriff Tony Roper in recognition of the contributions of Chief Deputy Travis Sumption and Sergeant Patricia Putnam during the same investigation.

4. Public Hearing - **Proposed FY 2016 Budget**

The Mayor opened the public hearing and stated that no one had signed up to speak. After asking if anyone wished to speak, the Mayor asked for a motion to close the hearing. Council member Shaffer moved that the public hearing be closed. Council member Daniel seconded the motion which carried unanimously.

5. Approval of Minutes

Upon motion by Recorder Arnold, and seconded by Council member Kitselman, the minutes of the April 14, 2015 / April 21, 2015 meeting were approved by the following vote:

Wilson Kirby

- Aye

Harry Lee Arnold, Jr.

- Aye

Mary Daniel - Aye Allen Kitselman - Aye Douglas Shaffer - Aye David Tollett - Aye

6. Citizens' Forum

Mayor Kirby recognized Barbara Byrd of 3836 Lord Fairfax Highway. Mrs. Byrd, as a member of the Clarke County Board of Supervisors, announced that the County is hosting a Tick Awareness Program on June 4 at 7:30 p.m. in the Main Meeting Room of the Berryville-Clarke County Government Center. She said that there are four types of ticks in the area and tick borne diseases are becoming more prevalent. Mrs. Byrd said there will be speakers from the National Capital Lyme and Tick-borne Disease Program as well as from the local hospital and health department. She added that tick-borne diseases are especially dangerous to the elderly and young children.

7. Planning and Zoning Matters

- a) Ms. Dunkle said that per Council's request, the Planning Commission approved a motion recommending that the Berryville Area Plan update be completed prior to making any modifications to the Berryville Zoning Ordinance concerning the number of multi-family units in the Older Person Residential Zoning District.
- b) Ms. Dunkle reviewed the Clarke County High School site plan amendment proposal. One portion of the proposal is for a marching band tower. Mayor Kirby recognized Dennis Graham of 308 Taylor Street whose son designed the tower as an Eagle Scout project. Mr. Graham answered the Council's question regarding the length of the marching band season, saying it runs from July through November. Chief White said that the tower had been reviewed for security concerns and the current design is satisfactory. Council member Daniel moved that the Council of the Town of Berryville approve the site plan amendment as part of the special use permit with the following conditions:
- -all band related vehicles and storage units currently parked in the high school parking lot shall be removed once the band tower and storage building are complete;
- -all outdoor storage appearing on the site plan, excluding the band tower, shall be screened and maintained, and no other outdoor storage is permitted;
- -noise and dust shall be kept to a minimum outside of any structure;
- -engineering shall be submitted to the Town of Berryville for review and approval prior to construction of the Career and Technical Education (CTE) Facility;

- -the band tower shall be removed should it remain unused by the marching band for 18 consecutive calendar months, and
- -the overflow parking area as shown on the original site plan shall remain accessible and designated for such use.

Council member Kitselman seconded the motion which carried as follows:

Wilson Kirby - Aye
Harry Lee Arnold, Jr. - Aye
Mary Daniel - Aye
Allen Kitselman - Aye
Douglas Shaffer - Aye
David Tollett - Aye

Council member Daniel asked about progress on the Berryville Area plan update. Ms. Dunkle and Council member Kitselman said good progress is being made. Ms. Dunkle added that some sub-areas are being consolidated, and discussions regarding polices for plan amendments are on-going.

8. Report of the Town Manager

Mr. Dalton noted that VDOT will be paving Rt. 340 through Town sometime after the July 4 holiday. He said that street cleaning throughout Town is nearly complete, and once it is finished Public Works crews will be doing the water main project on Battletown Drive. Mr. Dalton noted that the Streets and Utilities Committee will be meeting immediately following this meeting.

10. Standing Committee Reports

a) BADA Liaison

Council member Kitselman said he had nothing to add to the earlier discussion of the Berryville Area Plan update.

b) Budget and Finance

Recorder Arnold said the budget will need to be approved at the June meeting.

c) Community Improvements

Council member Kitselman had nothing to report.

d) Planning Commission Liaison

Council member Shaffer said he had nothing to add to the earlier discussion of the Planning Commission meeting.

e) Police and Security

Council member Daniel recognized Chief White and asked him to elaborate on his memo regarding the increase in man hours for civil custodial transports. Chief White said with a legislative change last year, the Town is now responsible for these transports. He said the County has been helping when possible, but the increased demand has resulted in staffing and coverage issues for the Department.

Mr. Dalton added thanks to the County for hiring Frank Davis saying that a recent fire showed an example of good inter-jurisdictional cooperation. He said Chief White and Officer Shoremount were first on the scene providing help, and Public Works Director Rick Boor and Public Works Foreman Ralph Elliott were also there to assist. Mr. Dalton added that a water main project completed about eight years ago ensured there was enough water to fight the fire effectively.

f) Streets and Utilities

Upon motion by Council member Shaffer, seconded by Mayor Kirby, the minutes of the Streets and Utilities Committee meeting of April 30, 2015, were approved.

Mayor Kirby noted the monthly reports for Public Works and Public Utilities were included in the agenda packet.

g) Personnel / Appointments

Recorder Arnold had nothing to report.

There being no further business, upon motion by Council member Kitselman, seconded by Council member Daniel and passed unanimously, the meeting was adjourned at 8:15 p.m.

Wilson Kirby, Mayor	Harry Lee Arnold, Jr., Recorder

TOWN OF BERRYVILLE TOWN COUNCIL

A MOTION TO ADOPT A RESOLUTION OF APPRECIATION AND THANKS FOR THE SERVICE OF KEN LIVINGSTON

Date:	June 9, 2015	
Motion By	:

COUNCIL OF THE TOWN OF BERRYVILLE RESOLUTION OF APPRECIATION AND THANKS

WHEREAS, Ken Livingston was first appointed to the Architectural Review Board on July 13, 1999; and was appointed several more times serving on that Board for over sixteen years, and

WHEREAS, During his tenure Mr. Livingston has faithfully served the citizens of the Town of Berryville, utilizing his expertise to enhance the vitality of downtown area; and

WHEREAS, Mr. Livingston used his professional experience to maintain the integrity of the Berryville Historic District and ensure economic growth and tourism; and

WHEREAS, Without fail, in all of his dealings with the public and other public officials, Mr. Livingston executed the duties of his office in a fair and just manner; and

WHEREAS, Through his work with the Town, Mr. Livingston has served as a shining example of a citizen's concern for his community and has truly positively affected the lives of Berryville's residents;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the Town of Berryville, that Ken Livingston's long and distinguished service to this community is recognized and that he is thanked for his hard work and devotion.

By Order of the Council of the Town of Berryville on this the ninth day of June, 2015.

Wilson L.	Kirby,	Mayor	

Planning and Community Development

No Action Items

June 9, 2015

Planning Commission

The Planning Commission did not hold a meeting in May. Their next scheduled meeting is Tuesday, June 23, 2015 at 7:30pm.

Berryville Area Development Authority

The BADA held a regular meeting on Wednesday, May 27, 2015. They discussed proposed mapping changes beyond Annexation Area B and reviewed the draft Berryville Area Plan update. Their next meeting is scheduled for Wednesday, June 24, 2015 at 7:00pm.

Architectural Review Board

The Architectural Review Board met on Wednesday, June 3, 2015. They reviewed the following items:

Architectural Review

Chris Braithwaite (Braithwaite Construction) is requesting a Certificate of Appropriateness in order to install two metal finish doors and new concrete steps at the main door at 100 North Buckmarsh Street (Clarke County Health Department) identified as Tax Map Parcel number 14A2-((A))-51, zoned C General Commercial. ARB requested additional information.

Sign Review

Turiya Yoga and Wellness (Turi Turkel, Owner) is requesting a Certificate of Appropriateness for a freestanding portable sign to be placed in front of the business located at 23B East Main Street, identified as Tax Map Parcel number 14A5-((A))-77, zoned C General Commercial. Approved as presented.

Architectural Review

One West Main, LLC, (Giel Milner, Owner), is requesting a Certificate of Appropriateness in order to install exterior electrical apparatus on the structure located at 1 West Main Street, identified as Tax Map Parcel number 14A5-(A)-10, zoned C General Commercial. Approved as presented.

The Board also met Len Capelli, the County's new Economic Development Director. Their next meeting is scheduled for Wednesday, July 1, 2015 at 12:30pm.

Board of Zoning Appeals

The BZA did not hold a meeting since the last Council meeting.

RE: Police Department Monthly Report – 06/09/2015

Staffing

Officer Andrew Moreland has resigned his position with the department in order to take a position with the Clarke County Sheriff's Office. Officer Moreland will begin his employment with the Sheriff's Office on July 1, 2015.

With the above resignation, that puts the department down three officers along with one officer still on extended medical leave. We are actively seeking qualified candidates to fill these open positions and have been conducting interviews with potential candidates. A basic law enforcement academy will start in Middletown on July 22, so it is my goal to have the positions filled by then and if a non-certified candidate is selected they will be enrolled in this upcoming session.

Prescription Medication Disposal

The Clarke County Sheriff's Office has installed a medication disposal box in their lobby located at 100 North Church Street. The intent is to help citizens properly and safely dispose of unused medications so they do not end up in the hands of those who may seek to abuse the medication. Several other law enforcement agencies in the area have installed similar boxes and have had a very positive response from the community.

Berryville Utilities

Memo

To: Town Council

From: David Tyrrell

Date: June 3, 2015

Re: May 2015 Operations Report

The water treatment plant is in compliance for May with its monthly parameters. We sent a total of 10.898 MG water to the system with a daily average of 0.389 MGD and a daily max of 0.665 MG.

The water treatment plant has run fairly smoothly in May but we have seen an increase in water demand. We believe it is due to usage from watering and pool activities and not from leakage. The charts overnight are still looking like normal usage but we are having trouble with the rate at which we fill our tanks during the days running cycles. We also believe it may be from lawn water and establishing new lawns in Berryville Glen. Another thing we feel shows the issue is usage is that the tanks are full as of today this week which has had significant rain.

The river cleaning of the river vault we hoped to accomplish the end of May was scheduled for June 8 to accommodate the contractor.

Drought Conditions: Water levels in the river are running slightly above the historic average. There is no concern for drought at this time.

The wastewater plant is in compliance with its discharge permit for May per data received to date with our nutrient removal continuing to do very well. We treated a total of 8.79 MG with a daily average of 0.28 MGD and a daily max of 0.38 MG. Flows have seen little effect from recent rains.

Train four has had a hypo recover clean completing the job for this quarter.

Rotating drum screen #1 was coming apart at its seams. We have had a welder in to make repairs to the unit and returned it to service.

We are continuing to have equipment failures due to cooling fans on VFD's going bad. We have had to replace an additional two cooling fans this month. A stock supply has been ordered to have a couple of them on the shelf should this trend continue.

Attached for review is the data report for the wastewater and the latest InSight report for the membrane performance from GE. The May water plant report is not yet available but will be included with the next operations report.

4 × ZW trains, each 3 cassettes, 2x48/1x42 500D (surface area 46920 sq. ft. per train)

Cleaning Strategy

Maintenance clean dose concentrations - 2 NaOCI/ Hypo @ 200 ppm per week, 1 Citric acid @ 2000 ppm per week

Recovery clean soak concentrations - 2 NaOCI/ Hypo @ 1000 ppm per year, 2 Citric acid @ 2000 ppm per year

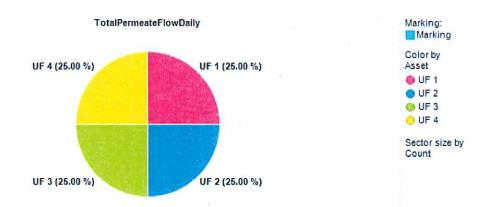

Plant Summary

Average daily plant flows went down by 18% in the last two weeks to 314,300 Gallons with the highest daily flow on May 1^{st} at 380,200 Gallons. Flows were equally distributed among the four trains.

Average Daily permeate flow from 4/30/2015 to 5/13/2015 is 314.3k gal with a maximum daily flow of 380.2k gal.

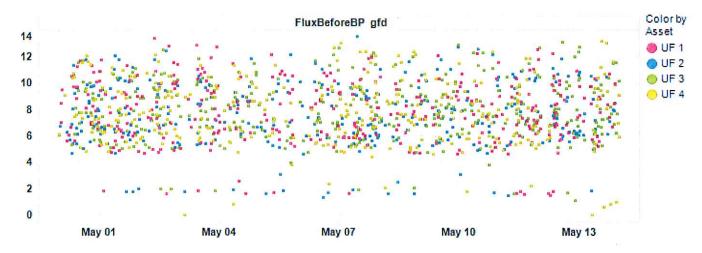

Before BP Flux Trend

Trains operated at an average production flux of 7.6 gfd or 248 gpm. Trains operated well in relax mode.

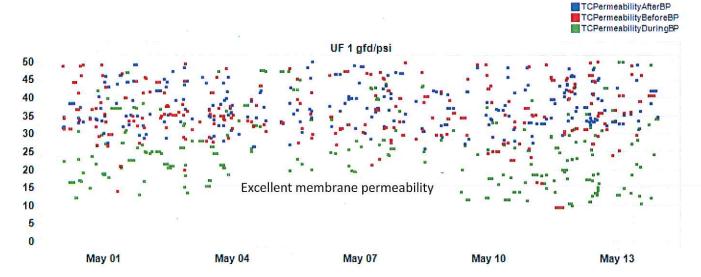

Production TMPs were low generally being <1 psi. Production TMPs were the highest on Train 4 averaging at 0.4 psi, 0.35 psi on Trains 2 and 3 and at 0.21 psi on Train 1. With the increase in permeate temperature production TMPs continued to gradually decline.

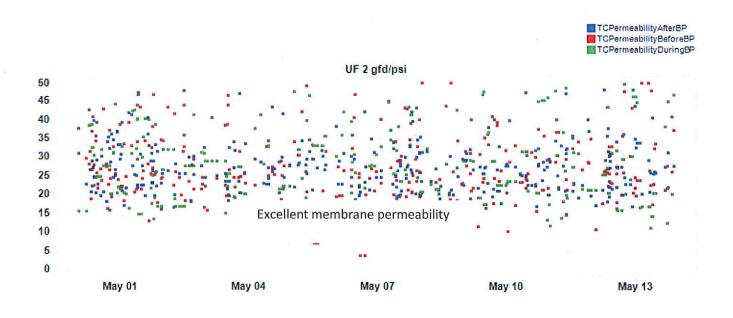

A hypo recovery clean was carried out on Train 4 on May 12th. Average production permeability improved by 2-2.5 gfd/psi with the extended recovery clean.

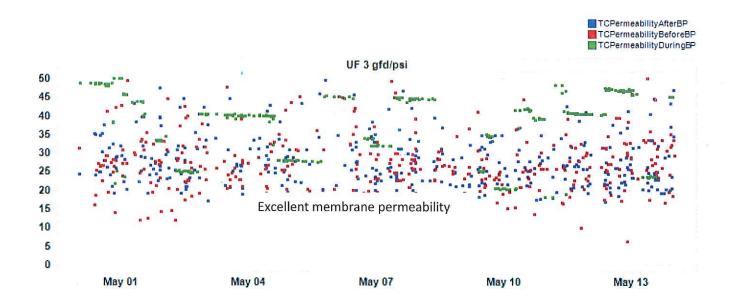

Trains steps indicate that 3-4 maintenance cleans were initiated on Trains 1-3.

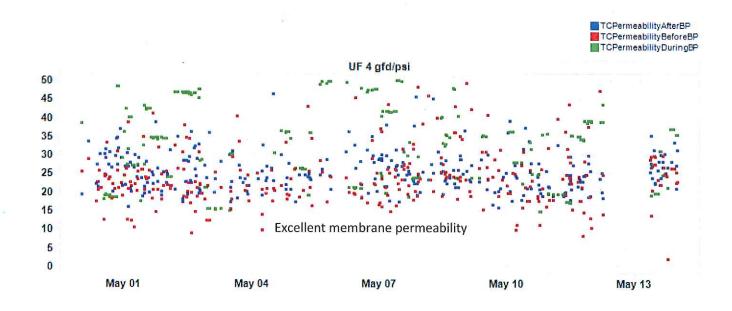

TC Permeability Trends By Train

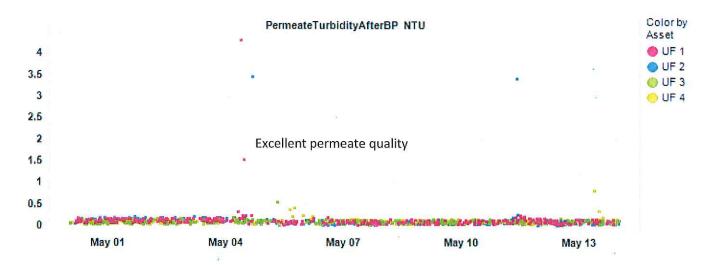

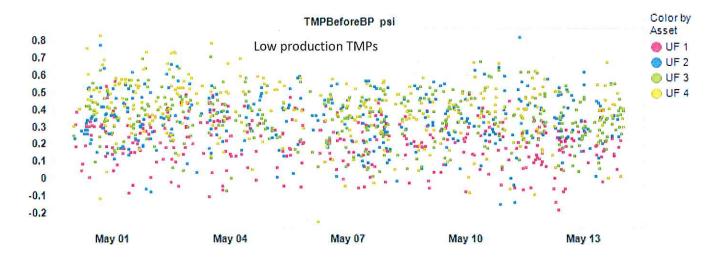

Permeate quality was good with permeate turbidity <0.5 NTU 99% of the time.

Report of the Department of Public Works June 2, 2015

During the early weeks of May Public Works was busy with our annual cleaning of streets and painting parking blocks and curbs in preparation of Memorial Day Weekend. We also did our spring cleaning of the park and painting and repairing the Gazebo. Our street sweeping has progressed well. The only sections left to clean are Darbybrook and the town house areas, and we hope to finish the remaining streets by the end of June.

We completed several paving projects last month. Our paving contractor paved Breckinridge Court, Archer Court, and the end of Josephine Street from the entrance to Johnson Williams Apartments to the end of the cul-de-sac. Our concrete contractor has started replacing sections of sidewalk in Battlefield Estates that were broken and presented trip hazards. When he completes the work in that section he will move to Josephine Street to replace sections of sidewalks that also present trip hazards.

We are currently gearing up to up-grade some water lines on South Buckmarsh Street. We have several water improvement projects we want to complete prior to VDOT milling and paving operation scheduled for early July. Once these projects are completed we then plan to focus our attention on the water line up-grade on Battletown Drive.

We had no water breaks or sewer related problems during the past month. We did experience one major equipment breakdown last month. Our 310SJ Backhoe developed a problem in the rear-end and had to go to James River Equipment for repairs. To abate the problem they had to install a new rear-end. The backhoe also had an small engine oil leak which I had them repair at this time. The total repair bill is going to be in the range of \$ 14,000.00

I received word from Duncan Parking Company that our meter order has been delayed. They are having a problem getting the parts needed to build meters and have stated it's going to be at least another 3 to 4 weeks before we receive our order.

Absent:

MINUTES BERRYVILLE TOWN COUNCIL STREETS AND UTILITIES COMMITTEE

Tuesday, May 12, 2015

Berryville-Clarke County Government Center Called Meeting immediately after regular meeting of Town Council is adjourned

Town Council:

Present: Wilson Kirby, Mayor; Douglas Shaffer

Staff: Keith Dalton, Town Manager

Press: None

Other: Kenneth Butler, 305 South Church, and Mary Serock, 301 South Church Street

1. Call to Order

Mayor Kirby called the meeting to order at 8:21 p.m.

2. Discussion- Condition of street shoulder in front of 301, 305, 311, and 315 Church Street

Mr. Dalton introduced the topic regarding sidewalk work last fall and concerns that have been expressed about the condition of the utility strip. The Committee, Mr. Butler, and Ms. Serock discussed conditions. Mr. Butler and Ms. Serock stated that they would mow the strip in question if grass was re-established.

The Committee directed staff to place topsoil and plant grass in the utility strip in front of 301 and 305 South Church Street leaving an 18" wide strip of gravel along the edge of the street . The Committee directed staff to contact the owners of 311 and 315 South Church Street and ask them if they too would want to want the utility strip in front of their property top soiled and planted with grass. If they want it, then staff would address those areas as well.

Mr. Butler asked the Committee about having bricks at the landing of his walk. The Committee stated that such a matter would have to be discussed at a later date and that should Mr. Butler want to place this matter before the Committee, he should forward any information on the matter to Mr. Dalton.

3. Other

Mr. Dalton briefed the Committee on a sewer issue at 113 East Main Street.

4.

There being no further business, the meeting was adjourned at 8:59 p.m.
